To prevent credit-card fraud and theft, all virtual or in-store transactions above \$1,000 may require for a government issued ID and/or signature on file. For purchases made online or virtually, we may also video-call the purchaser to verify authenticity.

Please email sales@zazzybox.com for bank-wire information. We will send a secure email with relevant information after confirming your identity and may call and/or video call clients for further authentication. Wire purchases require 24 hours to process. For purchases made online or virtually, we may also video-call the purchaser to verify authenticity.

Transactions are private on the Venmo platform. All payments can be sent to @zazzy_box.

We will send you the location to send payments. Invoices must be paid in full before the product is delivered.

Make notes payable to "Zazzy Box". Transactions must be paid in full (checks must clear) before the product is delivered. We require a 24-hour clearance period. Bounce checks are charged a \$150 fee.

Cash payments are rounded to the nearest dollar. All cash received is subject to authenticity testing. We require a government issued ID on all cash purchases. Purchases above \$1,000 may require additional validation

Please inquire with our team about buy-backs. After a thorough evaluation of your fine jewelry trade-in or buy-back, our team may offer a credit voucher or check based on our assessed value of your trade-in that you can choose to accept. Learn more on our "Buy-Back's and Trade-Ins" page at www.zazzybox.com.
